June has passed and July is upon us. We had some wonderful events this past month, Father's Day "Take me out to the Ball Game" BBQ. Thank you, Jeanne and Lorne. The "Summer Solstice" Potluck Dinner. Thank you, Rodney and Rose Mary. The Catalina Cruise Out to Two Harbors. Thank you, Tom and Cindy. Again, thank you to all those who took part in the Friday evening pot lucks. A lot of new friendships are being created. I hope to see more of you at these Friday evening get-togethers.

Now in July, we have some more wonderful events planned; the 3rd Fireworks show (thank you, Pam and Victor) and the BBQ at Barney's Beach House (thank you, LaVon and Bill). Please make sure that you RSVP to LaVon. She will need personal information to meet the security requirements on the Seal Beach Weapons Station.

Ladies and Gentlemen, I forward many of the event flyers for our party planners and, thankfully, they put their contact information on them so that you may respond directly. When you RSVP to me, you are only slowing down the delivery process. I cannot check email daily and sometimes, on time critical events, I may not be able to forward your response for days. Please read the flyers and respond to the appropriate persons. I will gladly forward for you if you don't mind the delay.

Looking forward to a splendid summer.

Very Respectfully,

Tommy Wheeler

Hello All!

I hope everyone enjoyed the Father's Day event. Turn-out was a bit light, but Jeanne and Lorne did a wonderful job preparing and setting everything in motion for a successful event. I'd like to thank all who supported the set-up and tear down of the event.

Also, this month, was our first cruise-out which was a success (barring all of the mechanical breakdowns suffered by most everyone in attendance). Thanks to Tom and Cindy Baker and all who ventured out to the island. While talking about the cruise-out, I'd like to take a moment to remind all of you to insure your Boat US or Sea Tow memberships are current and up to date. Whichever service you use, in times of mechanical failure, they are invaluable.

Finally, we had our first Summer Solstice celebration, compliments of Rodney & Rosemary Schaerer. Feedback is that it was a very nice event. Thanks Rodney and Rosemary!

July is a busy month. Please review the calendar for all the important dates and times for the events.

See you around the club!

Douglas and Lorraine Wilson (USNSA)
Kirby and Delores Holte (USAR)
Anthony and Carol Contino (USCGA)

Please join me in warmly welcoming our new members at our Friday Potluck, July 14.

Summer-time Greetings Friends,

I hope you are enjoying the summer and all the events our club is having. I'm looking forward to the Fireworks display that the city of Long Beach puts on the night before the 4th. Our little club house just happens to be the best location for viewing. The 90 spots allowed this year filled up fast.

The Board is thinking about planning another Wounded Warriors Cruise, with a name change to the Wounded Veterans Cruise. We are looking at Sept. 16th as a potential date for the cruise and luncheon afterwards.

I'd be interested in hearing from anyone with your thoughts and ideas for this event.

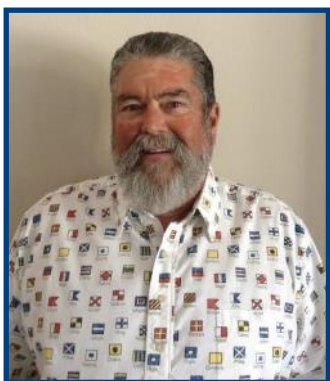

Enjoy the days and have a safe 4th of July Celebration.

June 2017 Cruise-Out to Two Harbors

What's could be more fun than a Navy Yacht Club cruise-out?

One with plenty of adventures, bad winds, bad waves & broken boats and a hell of a ride back to port.

Tommy & Sylvia Wheeler's boat, Happy Ours, was the first to get there and the first to break. They lost the use of the transmission and had to be towed back to Long Beach.

Mark & Jan Allen's (prospective members) boat, the Janice Marie, had the engine overheated right outside Queen's gate. They limped into Two Harbors just before sunset and were repaired on the island.

Tom & Cindy Baker's boat, Lucky 13, was the second to arrive, but the third to have problems about 13 miles from Two Harbors. Luckily, just a bracket and Tom was able to repair it with a rubber band, chewing gum & duct tape.

Lorne O'Sullivan & Jeanne Stafford, on the Southern Cross, came in on Friday, a little sunburned but seemingly unscathed.

One with plenty of fun for all!

We had our Float-a-palooza on Friday afternoon.

We had dinner at Harbor Reef Restaurant, on Friday night.

BBQ'd and played games at Buffalo Park which is where they moved all the tables from the beach where the new palapas are now. (Over our 4 day stay, we only saw two rented out...)
